***"There is no evidence that any casket presented as having protective features, which may include a gasket, will preserve human remains."***

*This facility makes no representations or warranties about the protective value of certain caskets or outer burial containers other than those made by the manufacturer. The only warranties, expressed or implied, granted in connection with goods sold with this funeral service are the written warranties, if any, extended by the manufacturer thereof. No other warranties and, specifically, no warranties of merchantability and fitness for a particular purpose are extended by the seller.*

*These are the caskets that according to section 1258.1(e) that are regularly offered for sale. Although you may find caskets represented photographically or physically within our facility that are not on this list, those caskets are strictly special order and not regularly offered for sale and are therefore excluded from the 1258.1(e) requirements. We can give you a price for those caskets, if so desired based on our pricing structure of similar models. If there is a conflict of pricing between the Casket Price List and the price indicated on the casket or picture, the lower of the two prices is what you will be charged.*

*\*We have made every effort to accurately represent the caskets in these photos, however the actual product may vary slightly in finish and design.*
